

Strategic Planning...Designing For Success

The PLC Protocol...Comprehensive and Streamlined

- We will start by discussing your needs. What is it you want to achieve? We tailor our powerful model to fit exactly *with your school community interests*.
- We will provide a *clear road map* for setting up the Core Team, designating Task Forces, managing the reporting function, gathering data.
- We follow a very sequential, clear, methodical process which quickly gains credibility and jumpstarts the project with *enthusiasm and energy!*
- Our Project Leaders *facilitate every step of the way*. The model predictably leads to great results.

Why This Model... Five Compelling Reasons

PLC Associates, Inc., a partner provider with NJASA is a consultancy specializing in providing services to schools for over twenty years. The model has five very compelling characteristics:

1. Achieves results and is measurement driven.
2. Creates high participation and true collaboration.
3. Builds the needed coalitions that support successful implementation.
4. Ensures clear, transparent communication, beginning to end.
5. Known and respected for a successful track record.
