**EMAIL ADDRESS:** [BarryHainesEdD@gmail.com](mailto:BarryHainesEdD@gmail.com)

**COUNTIES WILLING TO SERVE:** Northern counties including: Sussex, Warren, Morris, Passaic, Bergen, Essex, Union, Somerset, and Hunterdon

**TYPE OF DISTRICT:** K-8, K-12

**BACKGROUND INFORMATION:**

With 22 years of expertise in both K-8 and K-12 educational leadership experiences, Dr. Haines is a committed former Superintendent. He is dedicated to working with district stakeholders to promote shared goals and create exploratory programs that enable every student to discover their passion for learning and feel a sense of belonging. Dr. Haines has extensive experience in managing budgets of up to \$40 million, overhauling curricula, pioneering CTE initiatives, leading districts through QSAC evaluations to achieve "highly effective" ratings, and (most recently) securing additional early childhood state aid of over \$3 million to ensure universal, high-quality education, pathways for 180 families with 3- and 4-year-old children.

His expertise lies in curriculum development, instruction, assessment, professional learning, teacher and leader evaluation, strategic planning, technology initiatives, and systems thinking. Dr. Haines is a resilient optimist who firmly believes that all students can achieve their goals and excel if they are supported by a caring, collaborative, and inspired learning community. His specialties include organizational leadership, technology, and educational change.
