COUNTIES WILLING TO SERVE: Mercer, Somerset, Hunterdon, Middlesex
Monmouth, Ocean, Burlington

TYPE OF DISTRICT: K-8, K-12 and Regional School Districts

BACKGROUND INFORMATION:

Nancy Gartenberg's administrative career has been framed by experiences in four very unique school districts: all have been differently diverse, and all have had an impact on the leader she is today. Similarly, although no two districts have been alike, her leadership has positively impacted all of the districts: all have improved under Nancy's leadership. Nancy has been a superintendent for 13 years and a building principal for 10.

In the communities where Nancy has worked, there have been demographic and socioeconomic differences. Specifically, Ms. Gartenberg has a great deal of experience implementing programming aimed at reducing the achievement gap for students of color, improving programming for students receiving special education services, designing and implementing referendums, conducting community wide strategic planning and leading technology initiatives. Nancy was one of the only New Jersey superintendents to successfully lead a regionalization effort since 1993.
