

**NAME:** Dr. Jeff C. Gorman

**PHONE NUMBER:** (732) 850-6026 (cell)

**EMAIL ADDRESS:** [gmabej@yahoo.com](mailto:gmabej@yahoo.com)

**COUNTIES WILLING TO SERVE:** All

**TYPE OF DISTRICT:** All

**BACKGROUND INFORMATION:**

With more than 35 years in public education, is looking forward to serving public school districts in NJ. Dr. Gorman earned his doctoral degree from Rowan University where he defended his dissertation on the effects of differentiated instruction on student achievement, and he has been a pioneer in the area of technology integration into public schools. A member of the AASA's Transformational Leadership Consortium network, he is involved in viewing and sharing best practices in digital content and personalized learning at a national and international level.

Dr. Gorman has also worked with some of the most heralded experts in both curriculum & instruction and diversity, equity & inclusion. He served as an AVID (Advancement via Individual Determination) staff developer, acting as a presenter and contributing to curriculum while also serving as a District Director for the college and career readiness system in two states. He has presented at several national conferences on a wide range of topics, ranging from professional coaching to improving leadership. He is at the forefront of transformational reform with an emphasis on improving STEAM education, literacy, mathematics, and multiple pathways to graduation.
