Application Deadline: March 21, 2025
Start Date: July 1, 2025

St. George Municipal School Unit (MSU) is seeking dynamic individuals to apply for the position of Superintendent of Schools.

St. George MSU is a Pre-K-8 community school district and the heart and strength of our district is the community of St. George. We have a clear mission – to do whatever it takes to ensure that every single student thrives and, as a school community, to give back and contribute to the Town of St. George. We focus on students' academic growth, character development, and health/wellness. We recognize that health/ wellness – which we define as students' physical & mental health, social-emotional well-being, and food security – is a prerequisite for academic growth and character development. Finally, we believe that for a student to thrive – to demonstrate mastery and find meaning in education – they must share their learning in ways that positively impact their community.

St. George School is partnering with the MidCoast School of Technology to develop the nation's first Pre-K-12 Career & Technical Education (CTE) Program and construct a Pre-K-8 CTE/Makerspace Building next to the St. George School. Click [here](#) to read more.
